

Study Techniques Art 103 (Optional, but beneficial)

1. Print Outline version of Power Point notes from website before each class. Use to record notes from lecture. Find and print by following these easy instructions:

Getting to the Power Points:

Blue Ridge CTC webpage  Personal WebPages  Jennifer Squires  Click on link to chapter

Printing the Power points:

Print  (Select) Multiple pages per sheet (you choose how many)  (Select) Properties and change to black and white or gray scale, unless you would like it in color  Print

2. Reading Guides

Download and print the reading guide for each test. The reading guide will cover all of the chapters for that test. Reading guides will also be on the website, follow directions above.

If completed accurately and legibly, extra credit points can be earned. See reading guide for point values.

3. Flash Cards

Create an index “flash card” for each image in the images section at the end of each Power Point. Use the flash cards to quiz yourself or others in your study group.
